

Doorgate AM

Wall-Mounted Antenna perfect for limited space

The StoreProtect series gives you a full range of top quality anti-shoplifting systems, working with the industry standard AM technology.

Top quality in both antenna-design and function, with the ability to access and control the system via the secure, online remote-service solution.

The StoreProtect-family comes in a full range of designs in various colors.

All systems are engineered and produced in Sweden with high quality components.
